Mark Twain Lake Seeking Bids for Vegetation Management

Mark Twain Lake, Monroe City, Missouri – The U.S. Army Corps of Engineers, St. Louis District, is seeking regional business firms to provide Vegetation Management Services to various locations around Mark Twain Lake in accordance with the specifications contained in the solicitation. The contract will run for three (3) years which includes a base year with two (2) option years.

Work shall consist of furnishing all labor, equipment, materials, and supplies, except as otherwise provided by the contract, to satisfactorily perform succession control, plowing, disking, planting, cultipacking, fertilizing, liming, food plot establishment, prescribed burning, fire line installation, pesticide application, seedling tree planting service, container tree planting service, soil testing and supply seed to various locations around Mark Twain Lake in accordance with the specifications of the contract.

Interested bidders can review the contract online at <https://acquisition.army.mil/asfi/> under solicitation number W912P913R0709, or www.fedbizopps.gov under solicitation number W912P9-13-R-0709. Prospective bidders can address questions at the pre-bid meeting at Mark Twain Lake Project Office on February 20 at 10 a.m. Bids are due by March 7, 2013.

For further information, please contact the Mark Twain Lake Project Office, 20642 Highway J, Monroe City, Missouri, 63456 or phone (573) 735-4097.
